

I want to give you 6 free gifts

In return, I'm going to ask you to do something. I don't think what I ask is unreasonable. But, that's for you to decide.

I want to give you six gifts that I think are really cool.

If you're a RoughRiders fan, I think they will be particularly appealing.

The reason I want to give you these gifts is: I want you to do something.

Here are the six free gifts I would like to give you:

- 1. Batting practice at Dr Pepper Ballpark.** This is the most unusual gift of them all. Dig in and look for your pitch. This is one of those experiences that you'll remember forever. Got a kid? Let him or her pinch hit for you.
- 2. Limited-edition RoughRiders polo shirt.** This is different than anything you've seen in our team shop. Heck, wear it when you're trying to take it deep at your batting practice.
- 3. RoughRiders Limited-Edition Watch.** This is another limited-edition. If this Fossil watch were available to buy in stores, it would cost over \$50.
- 4. A RoughRiders baseball.** Instead of sending it over the wall, this is one that you get to keep.
- 5. A Deuce bobblehead.** Deuce will be cheering you on in batting practice. He'll even give you one of his own bobbleheads.
- 6. 'Riders Hat.** Your wardrobe upgrade would not be complete with a cool new limited-edition RoughRiders Hat.

You can get six free gifts plus a bonus gift for doing something that is not unreasonable.

WHAT YOU NEED TO DO

This isn't difficult at all. You have to open a checking account at Texans Credit Union. There are a lot of good reasons to do that anyway, so what I ask doesn't seem unreasonable.

THE ACTIVATION BONUS

Okay, let's assume that you get a checking account at Texans Credit Union. If you sign up for direct deposit, you get a bonus.

What's the bonus?

The bonus is a baseball bat that is signed by the entire RoughRiders team.

If you're a RoughRiders fan, these gifts will be special to you. And, you'll like the folks at Texans Credit Union. (I do; that's where I bank.) Go to a Texans Credit Union location today or go to their website texanscu.org.
