

Subject Link: The cheeseburger secret

Dear Tyler:

My neighbor said, "You're the new man in charge right?"

"I sure am. Excited to be with the Bacon."

"Got any big changes coming?"

"Well, there is something."

"What is it?"

"I am sure you know that you can get unlimited hot dogs, burgers, chicken sandwiches, dessert, soda and water at our games."

"Of course, it's the greatest deal around. Everyone knows that."

"Good. But, what if I told you we were adding something new to the menu."

"Really?"

"You bet. Cheeseburgers."

"You're kidding? And, I can eat as many as I want?"

"You can have 100 if you want."

"This can't be. There must be some really small fine print about the cheeseburgers."

"There isn't. Check and see."
